

Mini Camp Packing List

Below you will find our recommended packing list of what to wear or bring to camp in order to be prepared and safe. There is no need to buy all new clothing or gear for camp. We recommend that your child wear comfortable, well used clothing; this is especially important for hiking boots. Synthetic gear and wool socks tend to do best in our active camp setting. We allow our campers to play hard, so clothing worn to camp is likely to get dirty. **Please write your camper's name on EVERYTHING that you send to camp.**

We want your child to feel empowered and prepared, so we encourage you to pack their backpack with them so that they know what they have available to them to take care of themselves.

- Daypack** – backpack with good shoulder straps and large enough to carry all of the camper's belongings

In Daypack:

- Lunch** – Pack a large, healthy meal, avoiding candy and soda. We encourage the use of reusable containers.
- Snack** – we encourage the use of reusable containers.
- Reusable Water Bottles** or **Camelbak**
- Sunscreen** – siblings in different camp groups need their own bottle
- Extra layer** or **Rain jacket** – check the weather each day and send weather appropriate outerwear
- Spare change of clothes**

On Camper:

- Comfortable clothes**
- Hiking shoes** or **sneakers**
- Ball cap** or **bucket hat**
- Sunscreen** already applied
